PROXY STATEMENT

March 16, 2009

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Chartwell Dividend and Income Fund, Inc., a Maryland corporation (the "Fund"), for use at the Fund's Annual Meeting of Shareholders to be held at PNC Global Investment Servicing, 103 Bellevue Parkway, Wilmington, Delaware, on Wednesday, April 22, 2009, at 8:30 a.m., and at any adjournment thereof (the "Meeting"). This Proxy Statement, the accompanying Notice of Annual Meeting of Shareholders, and the accompanying proxy are being mailed to shareholders on or about March 16, 2009.

The Board of Directors has fixed the close of business on February 27, 2009 as the record date for the determination of shareholders entitled to notice of, and to vote at, the Meeting and at any postponement or adjournment thereof (the "Record Date"). The outstanding voting shares of the Fund as of the Record Date consisted of 16,905,967 shares of common stock, each share being entitled to one vote. All properly executed and timely received proxies will be voted at the Meeting in accordance with the directions marked thereon or otherwise provided therein. Accordingly, unless instructions to the contrary are marked, proxies solicited on behalf of the Board of Directors will be voted "FOR" the election of the nominees for Director (Proposal One). Any shareholder may revoke his or her proxy at any time prior to the exercise thereof by giving written notice to the Secretary of the Fund at 400 Bellevue Parkway, Wilmington, Delaware 19809, by signing another proxy of a later date or by personally voting at the Meeting.

Properly executed proxies may be returned with instructions to abstain from voting or to withhold authority to vote (an "abstention") or may represent a broker "non-vote" (which is a proxy from a broker or nominee indicating that the broker or nominee has not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the broker or nominee does not have discretionary power to vote). The shares represented by abstentions or broker non-votes will be considered present at the Meeting for purposes of determining the existence of a quorum for the transaction of business. With respect to Proposal One, which is a matter to be determined by a plurality of votes cast on such matter, neither abstentions nor broker non-votes, not being votes cast, will have any effect on the outcome of the shareholder vote. If any proposal, other than Proposal One, properly comes before the Meeting, shares represented by proxies will be voted on such proposals in the discretion of the person or persons holding the proxies.

A quorum for the Meeting will consist of the presence in person or by proxy of the holders of a majority of the shares entitled to vote at the Meeting. Whether or not a quorum is present at the Meeting, if sufficient votes in favor of the position recommended by the Board of Directors on Proposal One are not received, the persons named as proxies may, but are under no obligation to, with no other notice than announcement at the Meeting, propose and vote for one or more adjournments of the Meeting for up to 120 days after the Record Date to permit the further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of those shares affected by the adjournment that are represented at the Meeting in person or by proxy. Shares represented by proxies indicating a vote contrary to the position recommended by a majority of the Board of Directors on Proposal One will be voted against adjournment as to that proposal.

Costs of soliciting proxies will be borne by the Fund. It is anticipated that banks, brokerage houses, and other custodians will be requested on behalf of the Fund to forward solicitation material to their principals to obtain authorizations for the execution of proxies. In addition to soliciting proxies by use of the mail, some of the officers of the Fund and persons affiliated with Chartwell Investment Partners, L.P., the Fund's investment adviser (the "Adviser"), may, without remuneration, solicit proxies personally or by telephone or telefax.

The Fund prepares and mails to its Shareholders financial reports on a semi-annual basis. The Fund will furnish to Shareholders upon request, without charge, copies of its Annual Report to Shareholders, containing audited financial statements for the fiscal year ended November 30, 2008. Requests for such Annual Report should be directed to the Fund c/o SEI Investments Global Funds Services, 1 Freedom Valley Drive, Oaks, Pennsylvania 19456 or telephone toll-free 1-866-585-6552. The Annual Report is not to be regarded as proxy soliciting material.

ELECTION OF DIRECTORS (Proposal One)

At the Meeting, shareholders will be asked to elect two (2) Directors to the Fund's Board of Directors. The Board of Directors of the Fund, including the Directors who are not interested persons of the Fund, has nominated Kenneth F. Herlihy and C. Warren Ormerod to serve as the Class I Directors to hold office until the Annual Meeting of Shareholders in 2012, or thereafter when their respective successors are duly elected and qualified. It is the intention of the persons named in the accompanying proxy card to vote in favor of election of Messrs. Herlihy and Ormerod.

Pursuant to the Charter and By-Laws of the Fund, the Board of Directors is divided into three classes, as nearly equal in number as possible. Each Director serves for three years with one class being elected each year. Each year the term of office of one class will expire. The Board of Directors is currently comprised of five Directors, whose class and term of office are as follows: Class I: Messrs. Kenneth F. Herlihy and C. Warren Ormerod — term expires in 2009; Class II: Mr. Bernard P. Schaffer — term expires in 2010; and Class III: Mr. Winthrop S. Jessup and Ms. Marie D. Fairchild — term expires in 2011. All of the current members of the Board of Directors have previously been elected by the Fund's shareholders.

Two of the Directors, Messrs. Herlihy and Ormerod, are standing for re-election by shareholders to serve as the Class I Directors until the Fund's 2012 Annual Meeting of Shareholders and until their respective successors have been elected and qualified. Each nominee has indicated his intention to continue to serve if elected and has consented to being named in the Proxy Statement. The Board of Directors of the Fund knows of no reason why either nominee will be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominee as the Board of Directors may recommend.

Directors, including those who are not "interested persons" of the Fund as that term is defined in the Investment Company Act of 1940, as amended ("1940 Act") (the "Independent Directors"), shall be elected by the affirmative vote of a plurality of the shares of the Fund cast in person or by proxy and entitled to vote thereon, provided a quorum is present. In order for any other persons to be nominated for election to the Board of Directors at this Meeting, the By-Laws require the proposed nominee to notify the Fund in writing by the tenth day following the day on which notice of the Meeting is mailed and to provide such written information required by the Secretary of the Fund. This Proxy Statement is expected to be mailed on March 16, 2009 and, if such occurs, any such notice must be received by the Fund on or before March 26, 2009.

To the knowledge of the Fund’s management, the current Directors and officers of the Fund owned, as a group, less than 1% of the outstanding shares of the Fund as of the Record Date. Compensation of Directors

No officer or Director of the Fund who is also a director, officer or employee of the investment adviser or its affiliates received any remuneration from the Fund during 2008. The Independent Directors taken as a group were either paid or had accrued Directors’ fees during the fiscal year ended November 30, 2008 in the aggregate amount of \$24,750. The basis of compensation for the Independent Directors is a fee of \$2,000 for each regular Board meeting attended, \$750 for each special meeting attended, plus \$1,000 per year for audit committee members. Each Independent Director of the Fund is reimbursed for reasonable travel and out-of-pocket expenses associated with attending Board and committee meetings.

Standing Committees and Board of Directors’ Meetings

The Fund has a standing Audit Committee of the Board comprised of all Directors who are not “interested persons” of the Fund, the Fund’s investment adviser or their affiliates within the meaning of the Investment Company Act of 1940, as amended (the “1940 Act”), and who are “independent” as defined in the New York Stock Exchange applicable listing standards. Currently, Messrs. Herlihy and Ormerod and Ms. Fairchild serve as members of the Audit Committee. The Audit Committee is responsible for the selection and engagement of the Fund’s independent auditors (subject to ratification by the Fund’s Independent Directors), including evaluating such auditors’ independence and pre-approving audit and non-audit services, and meeting with such auditors to consider and review matters relating to the Fund’s financial reports and accounting. In addition, the Audit Committee serves as the Fund’s Qualified Legal Compliance Committee. The Audit Committee has a written Charter, which is available on the Fund’s website at www.chartwellip.com. The Audit Committee held two meetings during the fiscal year ended November 30, 2008.

The Fund also has a standing Nominating Committee of the Board that acts pursuant to a written charter. The Nominating Committee is responsible for selecting and nominating for consideration by the full Board candidates to be considered for election/appointment as additional Independent Directors of the Board. The Nominating Committee currently consists of Messrs. Herlihy and Ormerod and Ms. Fairchild. None of the members of the Nominating Committee is an “interested person” of the Fund as that term is defined in the 1940 Act. A copy of the Nominating Committee’s charter was attached to the Fund’s 2007 Proxy Statement as Annex A. It is not included on the Fund’s website. The Nominating Committee met once during the fiscal year ended November 30, 2008.

Other than as described in its charter, the Nominating Committee has not adopted a formal process for identifying and evaluating nominees, including nominees recommended by shareholders. The Nominating Committee does not have at this time specific, minimum qualifications for nominees and has not established formal specific qualities or skills that it regards as necessary for one or more the Fund’s Directors to possess (other than any qualities or skills that may be required by applicable law, regulation or listing standard). However, in identifying and evaluating nominees, the Nominating Committee considers factors it deems relevant, which may include: whether the person is an “interested person” as defined under the 1940 Act and whether the person is otherwise qualified under applicable laws and regulations to serve on the Fund’s Board of Directors; whether the person has any relationships that may impair his or her independence, such as any business, financial or family relationships with Fund management, the investment adviser of the Fund, Fund service providers or their affiliates; whether the person

serves on any boards of, or is otherwise affiliated with, competing financial service organizations or their related funds; whether the person is willing to serve and willing and able to commit the time necessary for the performance of duties of a director of the Fund; the contribution which the person can make to the Board and the Fund, with consideration being given to the person's business acumen, professional experience, education and such other factors as the Committee may consider relevant; and the character and integrity of the person.

The Nominating Committee will consider Independent Director nominees recommended by shareholders should a vacancy among the Independent Directors arise. Currently, there are no vacancies. Shareholders who wish to recommend a nominee should send a written request addressed to the Secretary of the Fund which includes the shareholder's contact information, the proposed candidate's biographical data and qualifications, and all other information relating to such person that is required to be disclosed in solicitations of proxies for the election of directors under Regulation 14A of the Securities Exchange Act of 1934. A recommendation must be accompanied by a written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the Fund's shareholders. All shareholder recommended nominee submissions must be received by the Fund by the deadline for submission of any shareholder proposals to be included in the Fund's proxy statement for its next annual meeting. Recommendations for candidates to the Board will be evaluated in light of whether the number of Board members is expected to change and whether the Board expects any vacancies among the Independent Directors. All nominee recommendations from Fund shareholders will be acknowledged, although there may be times when the Committee is not actively recruiting new Independent Directors. In those circumstances, the nominee recommendation will be kept on file until active recruitment is under way. In the event that a vacancy arises or a change in Board membership is determined to be advisable, the Nominating Committee will, in addition to any shareholder recommendations, consider candidates identified by other means, including candidates proposed by members of the Nominating Committee. The Nominating Committee does not evaluate nominees for Director differently based on whether the nominee is recommended by a security holder. While it has not done so in the past, the Nominating Committee may retain a consultant to assist the Committee in a search for a qualified candidate.

No nominee recommendations have been received by shareholders.

The Fund has a standing Fair Value Committee whose function is to monitor the valuation of portfolio securities and other investments and, as authorized by the Board of Directors, to make all necessary determinations of fair value for the portfolio holdings for which market quotations are not readily available, after consideration of all relevant factors, and report such determinations to the full Board. The Fair Value Committee consists of five members: one Director of the Fund (Mr. Schaffer); two officers of the Fund (Messrs. Hagar and Toburen); and two representatives of SEI Investments Global Funds Services, the Fund's administrator (Messrs. Michael Lawson and Christopher Salfi). The Fair Value Committee held two meetings during the fiscal year ended November 30, 2008.

The Fund has no compensation committee of the Board of Directors.

During the Fund's last fiscal year, the Board of Directors held four regularly scheduled meetings and one special meeting. For the fiscal year ended November 30, 2008, each of the Directors currently in office attended at least 75% of the total number of meetings of the Board of Directors and of all Committees of the Board held during the period on which he or she served. The Fund does not have a formal policy regarding attendance by Directors at annual meetings of shareholders but encourages such attendance. All of the Directors then in office attended the Fund's 2008 annual meeting of shareholders.

THE BOARD OF DIRECTORS OF THE FUND RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF THE NOMINEES TO SERVE AS DIRECTORS OF THE FUND.

**REPORT OF THE AUDIT COMMITTEE;
INFORMATION REGARDING THE FUND'S
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Selection of Independent Registered Public Accounting Firm

The Fund's Audit Committee selected, and the Fund's Independent Directors ratified the selection of, the firm of Ernst & Young LLP ("Ernst & Young") as the independent registered public accounting firm to audit the financial statements of the Fund for the fiscal year ending November 30, 2009. In reliance on Rule 32a-4 under the 1940 Act, the Fund is not seeking shareholder ratification of the selection of its independent registered public accounting firm.

Representatives of Ernst & Young are not expected to be present at the Meeting, but will be available by telephone to respond to appropriate questions from shareholders, if necessary.

Report of the Audit Committee

The Fund's Board of Directors has adopted and approved a formal written charter for the Audit Committee, which sets forth the Committee's responsibilities. As required by the charter, the Audit Committee has received the written disclosures and the letter from Ernst & Young required by Rule 3526 of the Public Company Accounting Oversight Board and has discussed with Ernst & Young its independence with respect to the Fund. The Fund has been advised by Ernst & Young that neither the firm nor any of its partners had a direct financial or material indirect financial interest in the Fund as of January 21, 2009.

The Fund's financial statements for the fiscal year ended November 30, 2008 were audited by Ernst & Young. The Audit Committee has reviewed and discussed the Fund's audited financial statements with Fund management and Ernst & Young, and discussed certain matters with Ernst & Young addressed by Statements on Auditing Standards No. 114. Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors (and the Board approved) that the Fund's audited financial statements be included in the Fund's annual report for the Fund's fiscal year ended November 30, 2008.

Audit Committee

Audit Fees

The aggregate fees billed for professional services rendered by Ernst & Young for the audit of the Fund's annual financial statements or for services that are normally provided in connection with statutory and regulatory filings or engagements were \$45,000 for the fiscal year ended November 30, 2008 and \$42,500 for the fiscal year ended November 30, 2007.

Audit-Related Fees

No fees were billed by Ernst & Young for the fiscal years ended November 30, 2008 and 2007 for any audit-related services.

Tax Fees

The aggregate fees billed for tax-related services, including tax compliance, tax advice and tax return review, rendered by Ernst & Young to the Fund were \$6,600 for the fiscal year ended November 30, 2008 and \$6,000 for the fiscal year ended November 30, 2007.

All Other Fees

The aggregate fees billed by Ernst & Young for agreed-upon procedures performed on behalf of the Fund in relation to the Fund's commercial paper program were \$21,500 for the fiscal year ended November 30, 2008 and \$20,500 for the fiscal year ended November 30, 2007.

Ernst & Young did not render any audit, audit-related, tax or any other services to the Fund's investment adviser or entities that control, are controlled by or under common control with the Adviser that provide ongoing services to the Fund that related directly to the operations and financial reporting of the Fund for the fiscal year ended November 30, 2008 or the fiscal year ended November 30, 2007.

Audit Committee Pre-Approval Policies and Procedures

As of the date of this Proxy Statement, the Audit Committee has not adopted pre-approval policies and procedures. As a result, all services provided by Ernst & Young must be directly pre-approved by the Audit Committee or its Chairman. The Audit Committee pre-approved the audit and non-audit services provided by Ernst & Young to the Fund in 2008 and 2007.

Aggregate Non-Audit Fees

The aggregate non-audit fees billed by Ernst & Young for services provided to the Fund, the Adviser, and any entities that control, are controlled by or under common control with the Adviser that provides ongoing services to the Fund were \$151,600 for the fiscal year ended November 30, 2008 and \$146,500 for the fiscal year ended November 30, 2007. In recommending the approval of Ernst & Young as the Fund's independent registered public accounting firm for the fiscal years ended November 30, 2008 and November 30, 2007, the Audit Committee considered whether the services described above, including all non-audit services rendered to the Fund, the Adviser or an affiliate of the Adviser that provides ongoing services to the Fund, were compatible with maintaining the independence of said firm.

OTHER BUSINESS

The management of the Fund does not know of any other matters to be brought before the Meeting. If such matters are properly brought before the Meeting, proxies not limited to the contrary will be voted in accordance with the best judgment of the person or persons acting thereunder. To propose any business for consideration at this Meeting (other than matters included in this Proxy Statement), a Shareholder must notify the Fund in writing by the tenth day following the day on which notice of the Meeting is mailed and to provide such written information to the Fund as required by the Secretary of the Fund. This Proxy Statement is expected to be mailed to Shareholders on March 16, 2009, and, if such occurs, any such notice must be received by the Fund on or before March 26, 2009.
