Investment Teams

While they benefit from the scale of Chartwell, our four investment teams operate with complete autonomy. Each team has its own fundamental research process which shapes their independent investment views.

The teams also take a unique approach to portfolio construction which results in a wide range of solutions based investment strategies.

Chartwell manages active equity, fixed income and balanced strategies for institutional and advisory clients via separate accounts, sub-advisory relationships and mutual funds. We are proud of the deep relationships we have built with our clients, consultants and distribution partners over the past 20+ years.

Located in Berwyn, PA, since its founding in 1997, Chartwell has successfully grown into a 60+ person boutique investment management firm with approximately \$9.7 billion of assets under management. Chartwell is a wholly-owned subsidiary of TriState Capital Holdings, Inc., a publicly held bankholding company based in Pittsburgh, Pa. Chartwell is also advisor to the Chartwell family of funds which includes the Berwyn Income Fund.
