

Our Steadfast Commitment to Continued Operations During Coronavirus (Covid-19)

At Chartwell Investment Partners, we are deeply committed to the health and well-being of the clients we serve - and to our team of investment professionals. We are unwavering in our focus of meeting our responsibilities to our clients. As the COVID-19 situation continues to evolve, we remain committed to providing our clients with investment management and client service in all circumstances, while protecting the health and well-being of our stakeholders.

All Chartwell operations continue undisrupted to meet these commitments.

Our team has the ability to operate in all the same ways that you have been accustomed to, despite this pandemic. We are utilizing our continuity-of-business and pandemic planning, which ensures that our ability to conduct business and serve our clients 24/7 continues undisrupted.

We are doing our part.

We are monitoring and implementing all guidance on COVID-19 provided by the U.S. Centers for Disease Control and Prevention (CDC), as well as by local and state health agencies.

We are in this together.

You are a valued partner of Chartwell and we greatly appreciate our relationship. We hope that your teams and families remain safe and healthy during this time, and our thoughts are with those impacted by the virus. The response we have seen from our team in rising to these challenges makes us all proud to be part of this company. As this situation evolves, we will continue to keep you updated.
